We'll get acquainted with Winter Park aboard the Winter Park Scenic Boat Tour. A pontoon boat ride on the pristine Winter Park chain of lakes. Enjoy a guided cruise through three lakes and two man made canals on the tranquil Winter Park chain. Every tour guarantees plenty of swaying palms, towering cypress trees, lush ferns and a variety of flourishing sub-tropical flowers. You will also experience breathtaking views of opulent private homes and exquisite estates sprawling along the shores. Tour guides are sure to point out sights of Rollins College, Albin Polasek Museum & Sculpture Gardens, Kraft Azalea Gardens, and more.

Nothing like the "PARK VIEW" for a great lunch (included) in the heart of town.

After lunch enjoy some free time in the Park Avenue Shopping District which is home to over 140 one-of-a-kind boutiques and well known shops and cafes. Also enjoy the 11-acre Central Park. Called the crown jewel of all the city's parks. It boasts shady oak trees, landscaped planters, lush foliage, sitting areas, open space and three beautiful fountains. There is even a rose garden at the southern corner of Central Park.

A day trip that may make you feel like you visited another country as many people describe this area as having a "European feel".
